

### **Press release: 3 June 2020 “Much loved festival reveals 2021 theme”**

One of the most exciting and dynamic events in Wargrave’s social calendar, the Wargrave Village Festival is sizzling to launch its 2021 theme, “**Summer of Love**”.

Gearing up for its 23rd festival since its initiation in 1975, the programme will see the return of many village favourites, along with a myriad of new events to look forward to - and next year’s theme brings with it the promise of sun-filled days and sultry summer evenings.

The theme draws its energy from the season of life, love, fun and warmth-giving the local community a fresh start in the new year and the promise of a long-awaited adventure.

The 19-day long festival will feature a host of fun-filled family delights, dazzling formal events, spirited theatre and musical performances, roving culinary delights, a sporting extravaganza, a wonderfully riotous Variety Show, as well as the traditional Wargrave Festival Parade through the historic village, celebrating all that makes up this splendid community.
